**Personal Volume:** Volume points that originate from purchases by a Member for personal use or resale, or from purchases by the Customers of that Member. A Member's Personal Volume does not include points from purchases made by any other Members or the Customers of any other Members.

\* Points include purchases by a Member for personal use or resale and purchases by a Members personal customers (retail and autoship).

**A Member is Active** if they have 150 points of Personal Volume in the current plus one prior bi-monthly period.

All Members are eligible to earn commissions on sales to their own Customers without any qualifications.

Members must be Active and meet other specific bonus or rank requirements to be qualified to earn bonuses other than retail commissions.
