**60% Rule:** No more than 60% of your volume can come from 1 specific leg.

**One Time Bonus:** Must Qualify and Maintain the following 2 months: 3 Total Months.

**BV:** Bonus volume = to 80% of retail.

**Active Leg:** Someone at Distributor or above that is active that month anywhere in the leg.

**\*Total Group Bonus Volume = (TGBV):** This is the total Personal Bonus Volume (PBV) created by you and all your downline Consultant teams in the sponsor genealogy calculated to infinite depth. This TGBV is used to determine qualification for earning new rank promotions and rank maintenance. It is subject to the 60% Rule.
